

# MICROPARKS IN COLONIAL HEIGHTS

2°C Mississippi is developing microparks in the Colonial Heights area of West Jackson, on properties owned by Voice of Calvary Ministries (VOCM). The properties are bounded by Louisiana, Virginia and Alabama streets. Our partners in this effort include JCDC (Jackson Community Design Center of MSU), Voice of Calvary Ministries, and Rosemont Baptist Church. The parks will transform abandoned and dilapidated properties into rain gardens and other nature-based solutions to flooding. The microparks will also offer a public space for the community to enjoy, which is why we would love members of the community to help us design them!

**Please join us on Saturday, October 26<sup>th</sup> at 10:00am at the Zoo Pavilion.  
Your input is important!**
